@KushalJetty /KushalJetty

SKILLS

- **MERN Stack (Mongo, Express, Reactjs, Nodejs)**
- **Amazon Web Services(AWS) , Salesforce CRM**
- **Datascience, Langgraph, AIML, Data-Analysis, OCR, Image-processing, MCP**
- **C-Programming, Python, Java DSA**
- **SQL, Solidity, Django framework, Flask, Selenium, Playwright**

EDUCATION

- CSE(Pursuing) | Adichunchanagiri Institute of Technology *CGPA:8.79(Dec'21-Dec'25)*
- Class XII (PUC) | Shri Sai Angels Pre-University College *90.83%| 2021*
- Class X | St. Mary's High School 90.88%|2019

ACADEMIC PROJECTS

- **Disaster Recovery: An AWS Project**
  - Implemented a disaster recovery solution using VPCs, subnets, EBS volume, cloudtrail and EC2 instances.
- **Digital Signature Implementation without Internet (HAL Internship Project)**
  - Used concepts like sha256, Hashing, Cryptographic algorithm, Private and Public key generation.
  - Dashboard,Barcode generation and implemented using php, python.
- **Get-Set-Pill: An IOT Project(Hackathon Project)**
  - A Pill Remainder Iot Project which notifies users to take their medication
  - Used embedded C, piezo-buzzer, Node MCU ,IR sensors and arduino
- **Car Rental System:An Salesforce project(Hackathon project)**
  - Implemented Carousel Feature using Lightning Web Component
  - Implemented automated queries, Dashboard
- **Cruiser-traveling:An end to end project (A Hotel Booking website)**
  - Implemented using Php, SQL, Html, CSS and JS.
  - Used animation on scrolling and Charts. Implemented CRUD operations
- **StreamzAI Testing framework: An playwright based testing framework(StreamzAI)**
  - Implemented using flask, sqllite, playwright, selenium and integration google models for optimised test cases..
  - Can create and run test cases for all modules of the project, test suite implementation and report generation.

EXPERIENCE

- **Intern at HAL**
- **Intern at StreamzAI**

HOBBIES

- **Playing chess and Swimming**

ACHIEVEMENTS

- Inter Level Hackathon 1st Place
- Solved 150+ DSA problems in GeeksforGeeks
- National Level Hackathon 1st Place and second runner up.
- IEEE international Conference Volunteer and Hackathon coordinator.
- First Place in Debugging
